# Sail Numbers of Racing Yachts

The section of the Register dealing with Racing Yachts is designed to list, under the respective classes, the sail numbers and names of yachts of the International Rating, R.Y.A. Handicap and Ocean Racing Classes, etc.

It should be mentioned that the information published is supplied by the appropriate National Authority or by the Class Secretary, and the Society is dependent upon their co-operation in keeping this section as up-to-date as possible.

## Identification of Racing Yachts

In accordance with Racing Rule No. 25 of The International Yacht Racing Union, yachts must identify themselves as follows:

### International Classes

All yachts of these classes shall bear on both sides of the mainsail:

- (a) A number or emblem showing the class to which the yacht belongs;
- (b) A letter showing the nationality;
- (c) The number of the yacht in the particular class.

Sail numbers only shall be placed on both sides of the spinnaker.

The following letters, indicating nationality, have been assigned by the International Yacht Racing Union:

A	Argentina	G	Federal Republic of	KC	Canada
AR	Egypt		Germany	KG	Guyana
B	Belgium	GO	German Democratic	KGB	Gibraltar
BA	Bahamas		Republic	KH	Hong Kong

			Socialist Republics		

Thus, a 6-metre yacht belonging to the United Kingdom and assigned the number 7 would bear on her mainsail:

$K_7^6$

### R.Y.A. Handicap Classes

The R.Y.A. Handicap Classes were assigned the numbers 1 to 99. The first 99 numbers having been exhausted, a second series of 1 to 99 was assigned, and subsequently a third series with a letter "Y" added was employed, thus:

1 Y 2 Y, etc.

(See *List of Yachts on pages 877-886*.)

### Ocean Racing Classes

The United Kingdom Ocean Racing Class numbers are allotted by the Rating Secretary of the Royal Ocean Racing Club as the National Rating Authority and will, in future, be prefixed by the letter K. They will, in future, issue numbers in accordance with the Class in which they estimate the yacht will race: e.g. a yacht in Class 3 will be given a number between 3000 and 3999.

Numbers for other countries are as provided by the National Authorities concerned.
